"An investment in  
knowledge pays  
the best interest."

## FROM THE CHAIRPERSON 'S DESK

### Greetings,

On behalf of the Indian Institute of Health & Allied Sciences (IIHAS) Kampala, Uganda, I extend a warm welcome to you.

IIHAS is dedicated to shaping the future of healthcare through excellence in education, research, and practice. Recognizing the significant demand-supply gap for healthcare professionals in Uganda, we established IIHAS in Kampala to address this need for skilled professionals.

Our focus is on preparing highly skilled healthcare professionals, empowering our students to navigate the evolving challenges of the healthcare landscape. Our esteemed faculty members, experts in their respective fields, provide mentorship and guidance to foster student success and academic excellence.

Furthermore, as an integral part of Maharaj Vinayak Global University, a UGC Recognized Top private University in Rajasthan & India, IIHAS students have the opportunity to explore and expand their knowledge in the fields of Healthcare and Dentistry at MVGU, India.

As the Chairperson of IIHAS, I am proud to be part of this vibrant community of learners and scholars. Together, we are committed to advancing healthcare outcomes and enhancing the well-being of individuals and communities, both locally and globally. I invite you to explore the opportunities available at IIHAS and join us in our mission to make a difference in the world of healthcare.

## About IIHAS

The Indian Institute of Health and Allied Sciences (IIHAS) is a privately owned institution aimed at capitalizing on opportunities within the healthcare education sector. Specializing in Allied Health Sciences education and training, IIHAS is committed to enhancing capacity and promoting sustainable healthcare systems in Uganda and across Africa. The institution places a strong emphasis on training doctors, nurses, and midwives.

At IIHAS, students receive quality education with opportunities for research in various fields, active participation in national and international seminars and symposiums, and regular workshops on diverse medical topics. The institute is licensed by the Ministry of Education and Sports, accredited by the National Council for Higher Education, registered with BTVET, and holds accreditation from the Allied Health and Professional Council as well as the Uganda Nurses and Midwives Council.

## VISION

The vision of IIHAS Kampala is to be acknowledged as a trailblazing institution in the field of healthcare education, research, and practice. We aim to nurture a future where our students emerge as esteemed professionals, leading the way in driving significant advancements in healthcare outcomes and promoting the well-being of communities, both at home and on the global stage.

## MISSION

IIHAS Kampala's mission is to provide comprehensive healthcare education, conduct cutting-edge research, engage with communities to address health disparities, and uphold values of excellence, integrity, and professionalism. Additionally, IIHAS strives to fulfill the gaps of skilled healthcare professionals in Uganda.
